2016-2020 Strategic Plan

Perception of Care by Domain: Dane County Compared with 2014 State and U.S. CMHS Data

Feedback from presentations

- CYF – Increase in MH needs for youth.
- ACS – AODA/MH Silos – need for integrated service delivery.
- ACS – Increased cost of institutionalization.
- ACS – Conflict between those who need services vs. those that are will to accept services.
- ACS – Need for more Long Term care options for the severely mentally ill.
